In China, years have names. The names are animals.

Read and find the answer.

1. When will they have a meeting?
2. Who arrive at the meeting first?
3. How does he to be the first?
4. Do you like the rat in the story? Why or why not?

Let's order!

The image features a large pink oval in the center containing twelve ordinal numbers in dashed boxes. The numbers are arranged in a circular pattern: fifth, sixth, first, second, third, fourth, eighth, seventh, twelfth, ninth, tenth, and eleventh. Surrounding the oval are twelve cartoon animals: a pig, a mouse, a cow, a tiger, a rabbit, a dragon, a snake, a horse, a ram, a monkey, a rooster, and a dog. A red line connects the mouse to the 'first' box.

Listen and number the pictures.
