Careful reading

 Listen to paragraph 1 and fill in the blanks.

Jeff Green

My mother told me a good friend is like a mirror.
I'm quieter and more serious than most kids.
That's why I like reading books and I study harder
in class. My best friend Yuan Li is quiet too, so we
enjoy studying together. I'm shy so it's not easy
me to make friends. But I think friends are like
-you books need a lot of them as long as they're
good.

Huang Lei

It's not necessary to be the same. My best friend Larry is quite different from me. He is taller and more outgoing than me. We both like sports, but he plays tennis better, so he always wins. However, Larry often helps to **bring out** the best in me. So I'm getting better at tennis. Larry is much less hard-working, though. I always get better grades than he does, so maybe I should help him more.

I don't really care if my friends are the same as me or different. My favourite saying is "A friend reaches for your hand and touches your heart." My best friend is very funny. In fact, she knows me very well. I broke my arm last year and she made me laugh and feel better. I know she will share everything. I know she will help me because she's always there for me.
