crowded, creative, good, fast, quietly

Greenwood Park is the best place to go to on weekends. I always finish my breakfast the fastest on Saturdays because I want to get to Greenwood Park before 10:00 a.m. to meet my friends. The park is the most crowded place on weekends because almost everyone goes there to see the street performers.

Some people think they are boring, but I think they are the most creative people. However, the place where you can enjoy your time the most quietly is at one of the small coffee shops near the park. You can read or relax there. There is something for everyone at Greenwood Park.
