Review

Read the passage and fill in the blanks.

On July 15th, Jane and her family got to Penang in Malaysia. The weather was sunny and hot. So they decided to go to the beach. She and her sister tried paragliding. It was so exciting. She felt like she was a bird. They had Malaysian yellow noodles for lunch. They were delicious!

They rode bicycles to Georgetown in the afternoon. They saw many old and new buildings there. Weld Quay is a very old place. They saw the houses of the Chinese traders from 100 years. They really enjoyed walking around the town.
