Summing-up

Everything has its advantage (好处) and also has its disadvantage (弊端). If we get something, we'll lose something at the same time. So sometimes it's hard for us to make a decision (作决定). But, first of all, we must know clearly what's the most important thing to us and cherish (珍惜) the things we own (拥有) now.

Homework

Write about your own plans using sentences with “if”, “will” and “won’t”.

Example:

Maybe I'll become a teacher. If I become a teacher, I will work with children. I love children, so I'll be happy. I'll also be able to work outside sometimes. But I won't be famous.

Maybe I'll be a lawyer. If I become a lawyer, I will be able to help people. But I won't be able to work outside and I won't be able to work with children. I think I will be a teacher.
