Unit 7
What's the highest mountain
in the world?

Section B 1
1a-1d

Check the preview

Teaching aims

To compare things using comparisons.

To practice students' listening skills.

Task 1

**1a** **Compare facts about these two animals. Use the language in the box to help you make sentences.**

Elephant

— is 350 cm tall

— weighs 5,000 kilos

— eats 150 kilos of
  food a day

Panda

— is 150 cm tall

   (standing on two legs)

— weighs 100 kilos

— eats 10 kilos of food a day

Example sentences:

This elephant weighs many times more than this panda.

(200 cm taller/shorter, weigh much more/less, eat much more/less, eat many times more)

Task 2 Listening

Listen and check(√) the numbers you hear.

100√	**16**	**20√**	**50**
120	**0.1√**	**0.2√**	**150√**

Task 3

Listen again and complete the sentences.

1. At birth, a baby panda is about **0.1** to **0.2** kilos.

2. At birth, a baby panda is about **15** cm long.

3. A baby panda is not black. It is **pink** and it has no **teeth** .

4. A panda can live up to **20** to **30** years.

Task 4 Practice

1d **Take turns telling your classmates about pandas.**

A: A baby panda cannot see.

B: An adult panda weighs many times more than a baby panda.

Discussion

Here are some facts about koala, use the information above to make sentences.

Koala

— is 75 cm tall

— weighs 10 kilos

— eats leaves

— sleeps 20 hours a day

Summary

1. …cm taller/shorter

2. much /even/a little/less +比较级

Make sentences to tell about Pandas.

Preview: Make a list about how to save pandas.
