- (  ) 5. A. studies    B. studied  
C. studying    D. study

### 三、阅读理解。

Here are the results of the student activity survey at No. 3 Middle School. Most students do homework every day. About 8% of students do homework three or four times a week.

Some students exercise after school every day. But more than 60% of students only exercise once or twice a week. Only a few students never exercise. Over 80% of students watch TV once or twice a week. Some students watch TV every day.

The results for “use the Internet” are quite interesting. Nearly all students like this activity. About 26% of students use the Internet three or four times a week. But most students are too busy to use the Internet every day, and only 5% of students use the Internet every day.

根据短文内容,完成下列表格。

How often activity	every day	1. <u>          </u> <u>                  </u> <u>                  </u>	three or four times a week	2. <u>          </u>
do homework	3. <u>          </u>	/	about 8%	/
4. <u>          </u>	some	more than 60%	/	a few
watch TV	5. <u>          </u>	6. <u>          </u> <u>                  </u>	/	/
7. <u>          </u> <u>                  </u>	5%	/	8. <u>          </u> <u>                  </u>	/
