根据短文内容从下面方框内的七个选项中选择五个还原到文中,使短文意思通顺、结构完整。

When I was about six years old, I was sure that space aliens had entered my bedroom. One peaceful night, I was in bed, trying to sleep. Suddenly, I heard strange voices whispering(低语) near my bed. 1. _____

We looked everywhere but couldn't find anything. I tried to go back to sleep, but the whispering began again. I don't know how many times my parents came to my bedroom that night. I only remember that none of us could sleep well because of the voices. 2. _____

“There must be someone hiding in my bedroom, perhaps an alien!” I thought to myself.

The next night, the same whispering sound came again. Although I was scared, I decided to find the “alien”. 3. _____ Finally, I found it. However, it wasn't the alien that I expected, but an old broken radio in my bookcase. 4. _____ Even so, that experience helped me to create a lifelong interest in UFOs

ful and amazing, and maybe the aliens would agree with me.

A. *I searched every corner of my bedroom carefully.*

B. *I shouted for my parents right away.*

C. *The radio suddenly began to work and the voices came from it.*

D. *I was afraid and didn't go out.*

E. *As a result, I was late for school the next morning.*

F. *I never saw one, but I did see lots of stars.*

G. *I heard a strange sound outside every night.*
