拓展提能

四、阅读理解。

French fries come from Belgium(比利时) originally. French fries are made of potatoes, and they are cut and fried. The fried potatoes are called French fries because they were fried in the French way.

During World War I, there were a lot of hungry American soldiers in Northern France and Belgium. They ate French fries in Belgium. After the war, the soldiers went back home to America. However, they made French fries at home. That's how French fries were first introduced to America.

French fries are freshly fried, and usually served with hamburgers in America fast food restaurants.

If you visit any fast food restaurant in America and order a hamburger, you will probably hear “You want fries with that?”

1. What are French fries made of?

2. Where do French fries originally come from?

3. Why are the fried potatoes called French fries?

4. Who first introduced French fries to America?

5. What does the underlined “that” in the last paragraph refer to?
