四、(沧州十四中模拟卷)阅读理解。

There are lots of changes in our town. There is a village called Cang Langyuan. It lies in the north of Zaozhuang. It's about 30 kilometers away from Zaozhuang. It has a population of over 2,000. There used to be some old and low houses in the village. A lot of houses were built in the Ming dynasty and Qing dynasty. In the past there was no factory or

school there. To our surprise, now there are some new and high buildings there. There used to be very dirty and narrow streets. Now the streets are very wide and clean. There are lots of young trees and beautiful flowers on each side of the street. There used to be a polluted pool in front of the village. Now there is a beautiful park there. But there are still some old houses there. They have been protected. People used to listen to the radio for news and weather information, but now they can get them through TV or Internet. They are very modern. Now

they drive cars to work or travel. Since 1986 there have been great changes in the village. I believe that it will have greater changes in the future. Their life is getting better and better.
