## 二、(山大附中月考卷)阅读理解。

根据短文内容,判断下列句子的正(T)误(F)。

When I was at school, I had a classmate whose name was Ted. Ted and I were in the same class. He sat next to me. He had serious problems in communicating with others. We always had to guess what he was saying. Besides, most of my classmates did not like to play with him because his hands and shirts were always dirty. I told him several times a day to wash his hands. I tried to let him know the importance of being clean. But he just could not hear. I really disliked him. But I didn't know how to change

him.

One day, our teacher Miss Hsieh walked to Ted. She said nothing. She took Ted to the washroom. Miss Hsieh washed his hands slowly and told Ted that he should keep himself clean. She did that every day for one week. Finally, Ted understood what Miss Hsieh wanted him to do. Miss Hsieh's love gave me a good example. When I am doing my job, I always teach my students by showing them the right ways to do things. I always remember to give them more time to learn and to grow up. I'd like to say thanks to Miss Hsieh because I learn a lot from her.
