The image features a central title 'Stars of Little Helpers' in a dark blue, rounded font. The text is surrounded by various decorative elements: a large blue star above the title, a white star to the top left, a white star to the right, and a white star at the bottom left. There are also several colorful flowers, including a pink and green circular flower at the top left, a blue and white checkered flower with pink rays on the left, a pink and green circular flower on the right, and a blue and white checkered flower with pink rays on the right. Additionally, there are purple butterflies with white spots and blue starburst shapes scattered around the text. The background is white with faint, light blue floral patterns.
